REPORT FAILS TO FIX BLAME FOR R.R. CRASH AT BETHLEHEM

Bureau of Accidents Says One Train Was Running Ahead of Schedule, Making it Evident Human Element Was Factor

HARRISBURG, Oct. 5.—Definite blame was placed for the wreck at Bethlehem, Pa., September 27, last, between passenger train No. 6 of the Lehigh Valley railway, and passenger train No. 106 of the Central Railroad of New Jersey, which eight persons were killed and thirty injured in a report made public today by the bureau of accidents of the same service commission.

However, the bureau's report of the cause of the crash is not final today by the bureau of accidents of the same service commission. It was operating five minutes ahead of schedule when the crash occurred. The report states that the train was running five minutes ahead of schedule when the crash occurred. The report states that the train was running five minutes ahead of schedule when the crash occurred.

The Central train crashed into the side of the Lehigh Valley train, 100 feet west of the Union station at Bethlehem. The signal was not in operation at the time of the crash. The report states that the signal was not in operation at the time of the crash.

ROTTARY HEARS A FINE TALK ON FOOTBALL

Representative of Pottsville Maroons in Chief Speech at Weekly Club Meeting

The Shamokin Rotary club heard a most interesting discussion on football at its weekly meeting held in the social room of the Trinity Lutheran church last evening. William H. East, a Pottsville newsman, and one of the members of the board of the Pottsville Maroons, told the members of the club the red-blooded story.
